PHCOPENHAGUE

Colours: Purple, Grey

SMART DESIGN AND ELEGANT. WITH YOU EVERYWHERE.

Now, it is time for you to stand out by using our new and attractive design Phoenix Copenhague bags.

Store and protect your laptop up to a size of 15.6” thanks to its padded interior and damp-resistent exterior. The bag has serveral compartments which you can keep your smartphone, keys, MP3 or any other accessory. Moreover, there is a external front pocket with zip, from which you can have a quicker and safer access to anything you need.

By using its handles, you can carry it comfortably to everywhere you go either holding in your hands, attaching to your luggage or using as a shoulderbag.

Keep in your mind, Phoenix Copenhague is unique.
